Given the information that appeared in some media about an alleged sanction against Mr. Gonzalo Castillo Guzmán as president of the Peruvian Sports Federation of Badminton (FDPB, for its acronym in Spanish), our institution clarifies the following:

1. On November 11th, 2022, the Superior Council of Sports Justice and Sports Honors (CSJDHD, for its acronym in Spanish) issued Resolution N° 016-CSJDHD-IPD declaring the nullity ex officio of Resolution N° 015 dated on July 25th, 2022 leaving all its ends without effect.
2. There is no sanction against Mr. Gonzalo Castillo Guzmán, being able to exercise his functions as director of the National Sports System without any limitation.
3. Mr. Gonzalo Castillo Guzmán, as president of the FDPB, leads a sporting change very well received by badminton and para badminton players who constantly bring achievements to Peru.
4. We exhort badminton players, para badminton players and members of the Grassroots Assembly of the FDPB to continue working together for the progress of badminton at the national level. To continue obtaining the triumphs that elevated us to be recognized as one of the most awarded entities in Peruvian sports.
5. We call on public opinion not to be surprised by news that does not respond to the legal truth.
